SUMMARY

The Whitehorse Youth Representative Committee plays an important role in representing the interests of young people in the municipality. This report provides a summary of the outcomes and achievements of the 2018 Whitehorse Youth Representative Committee.

RECOMMENDATION

That Council acknowledge the work of the 2018 Whitehorse Youth Representative Committee and endorse the Committee's initial action plan for 2019.

BACKGROUND

The Whitehorse Youth Representative Committee (WYRC) was established in 2002 to provide a formal link between young people and Whitehorse City Council. The key objectives of the Committee are to develop a positive profile of young people in the community, consult with the broader youth population, report to Council on the aspirations of young people and to assist in the creation of new opportunities for young people to be involved in their community.

There are a number of important benefits for young people to be involved in the WYRC. These include a greater understanding of local government, the development of leadership and project management skills and a greater connection with their local community.

WYRC representatives are selected through a nomination process that is promoted to schools, youth service providers, clubs and through local and social media. Due consideration is given to the selection process to ensure a diversity of gender, age, background and life experiences of young people. If deemed appropriate young people can remain on the Committee for a maximum 2 year period.

2018 COMMITTEE REPORT

The 2018 WYRC consisted of 12 young people who delivered a diverse range of activities, events and projects. The Committee was coordinated by Council's Youth Participation Officer and supported by Council's School Focused Youth Services Officer.

The WYRC events and activities in 2018 included the following:

Induction and training:

- WYRC members were inducted into the committee and made aware of Whitehorse City Council and relevant policies / processes. WYRC members also had the opportunity to meet the Mayor and have tour of Council Chambers.
- Training with external facilitator, Dan Donahoo covering the areas of leadership skills, marketing, promotion, communication and community engagement strategies.
- Attendance at Council information session in regard to gender identity / issues.

- Youth Forum and Community Workshops: For the first time in 2018 the WYRC organised and facilitated a Youth Forum and separate Workshops in the community as a way to accommodate the needs of young people from broader age spectrum. The Municipal Youth Forum at the Box Hill Town Hall on Thursday 16th August was for secondary school aged young people covering the issues of mental health, healthy relationships, gender identity / issues, health and wellbeing. These issues are identified in Council's Youth Plan 2014 - 2018 as having an impact on the wellbeing of many young people in our community. The forum included a presentation on bullying by the Whitehorse Victoria Police Youth Resource Officer and workshops on healthy relationships, yoga and relaxation, and gender identity / issues. A number of youth service providers were present at the forum and provided young people with information and resources on youth services and supports.

As well as the Youth Forum, the WYRC also facilitated workshops focusing on the young people aged 18-25. The workshops were conducted at Box Hill TAFE and covered the following areas: life skills (cooking), mental health (yoga workshop), healthy relationships (Women's East workshop) and career / employment. The sessions were facilitated to accommodate the needs of young people who had transitioned from secondary school.

- Spring Festival: Planning and facilitation of 'youth area' at Whitehorse City Council's annual Spring Festival featuring a range of 'youth friendly' activities and incorporated the 'youth stage' that was facilitated by the FReeZA Youth Committee.
- Youth Conference: WYRC members attended the annual Halogen Foundation Youth Leadership Conference to develop a greater understanding of issues impacting on young people and to foster strong leadership values.
- Victorian Youth Week: The WYRC committee assisted in the facilitation of events as part of Victorian Youth Week at the Box Hill Skate Park and at the Box Hill Mall to make information and resources available to young people. A range of youth friendly activities were also staged at the events (skate lessons, live music).

For further information on the events, initiatives and activities undertaken by the WYRC please refer to the WYRC 2018 Annual Report (attached to this report).
