### OBJECTIVE

To enhance the consultative process and facilitate public participation and involvement of the municipal community in Council decision making in accordance with the *Local Government Act 2020* (the Act) and Council's Governance Rules.

### PURPOSE OF GUIDELINES

To facilitate public participation and involvement in meetings of the Delegated Committee (Committee). These Guidelines complement Council's Governance Rules.

### PROVISION FOR PUBLIC PARTICIPATION

The public has two opportunities to participate in a Committee meeting - either by a submission which may be heard at the start of the meeting, ie **Public Submissions** (refer below) and by **Public Comment** later in the meeting. There is no public interjection during the meeting and speakers are heard in an orderly manner.

#### **Public Submissions:**

A submission may be made on any matter, providing it is not in contravention of Council's Governance Rules.

A maximum of 10 speakers will be permitted to make a submission and they will be determined in order of registration.

No individual submission shall exceed three minutes (ie each speaker has 3 minutes in total, not 3 minutes per topic).

Where submissions have already been made under the provisions of any statutory process, further submissions shall not be heard, unless the matter is listed as an item of business on the Committee agenda.

#### **Procedures for Public Submissions:**

Persons wishing to make a submission to the Committee on matters **other than land planning matters** must directly notify the Civic Services Department by **4pm on the day of the meeting and register** to speak, by telephoning 9262-6338. The person who registers to speak shall be the person who will make the submission to the Committee.

Persons wishing to make a submission to the Committee on any **land use planning matter** must directly notify the Civic Services Department, at least five working days prior to the day of the meeting and register to speak by telephoning 9262-6338. The person who registers to speak, shall be the person who will make the submission to the Committee.

Submissions may also be registered online. An online registration form must be completed and submitted, with registrations determined in order of receipt. Online public submission registration is to be made via Council's website [www.whitehorse.vic.gov.au](http://www.whitehorse.vic.gov.au) (type **Public Submissions Registration** in the website search function); alternatively access is available via the following link <https://www.whitehorse.vic.gov.au/public-submissions-registration>

An online submission on any **land use planning matter** must be completed by **4.00pm at least five working days prior to the Committee meeting.**

An online submission for matters other than land planning matters must be received by **4.00pm on the day of the meeting.**

At the time of registering to speak, that person must indicate whether he or she will be speaking in support of or opposition to any planning permit application or Planning Scheme Amendment (or proposed planning permit application or proposed Planning Scheme Amendment). The Committee must not listen to or read anything said by that person unless it is satisfied that, at least four working days before the day of the Committee Meeting, a member of Council staff has contacted the person(s) whose interests are contrary to the person who has registered to speak (eg has contacted the planning permit applicant if the person who has registered to speak has indicated that he or she will speak in opposition to the grant of a planning permit application) and invited the first-mentioned person (or a person authorised by him or her) to also register by 4pm on the day of the meeting to attend the Committee Meeting and speak.

Persons wishing to table written material must provide 15 copies to the Committee Clerk prior to the commencement of the meeting to enable distribution to Councillors prior to the start of the meeting. No material will be distributed during the meeting by any person, including Council staff. Requests to speak will be registered strictly in the order of receipt.

In instances where a number of persons wish to address the Committee on the same matter, the Chairperson at his or her discretion may request they nominate a speaker/speakers to represent them.

In accordance with Council's Governance Rules, it is not necessary for Standing Orders to be suspended to allow a person to address the Committee, subject to compliance with these Guidelines.

#### **Public Comment:**

After the 'Other Business' Section of the meeting has concluded, the Mayor will invite members of the gallery to indicate by show of hands if they wish to make a comment. *Only matters pertaining to this evening's meeting are to be commented on, (ie. a Council Officer report or presentation, and any "Other Business" matters)* and a 3 minute period per speaker applies. A maximum period of 15 minutes shall be provided for public comment. The Mayor will call individuals forward to be heard and they should begin by clearly stating their name. This is a period for comment, not questions or debate and there is no opportunity for any further **Public Submissions**.

#### **ADOPTION AND AMENDMENT OF THESE GUIDELINES**

These guidelines were adopted by resolution of Council dated 24 August 2020 and may be further amended by resolution of Council from time to time. The Chairperson at his or her discretion may vary procedures under these Guidelines, at any meeting of the Committee.

*A Delegated Committee is a committee established by the Council under section 63 of the Act. Under the Act, the formation of, appointment to, and administration of delegated committees is highly controlled given their ability to exercise statutory functions and powers on behalf of the Council.*

**International Women's Day 8 March 2021**

The Mayor Cr Munroe acknowledged International Women's Day (IWD) 8 March 2021, and advised that due to COVID the normal celebrations we would have held at this time, have had to be curtailed. Cr Munroe noted that the balanced gender representation on Whitehorse City Council is well established, 6 of our 11 Councillors are women for this four year Council term. This representation is an important element in women's participation in public decision making, and the Mayor acknowledged the considerable contribution his women Councillor colleagues make on Council, and more broadly in the community. Cr Munroe acknowledged the many women who work for Council, in nursing, environmental policy, executive leadership, major projects, IT management, customer service, lifeguards and many other roles across our organisation. The community benefits from their skills and hard work, and it's hard to believe they were effectively excluded from some of these roles in the relatively recent past; whilst there's still a way to go in reaching gender equality in our society, inroads are certainly being made.

The Deputy Mayor Cr Carr quoted an article in the current Whitehorse News which she wrote. "I pay tribute to the significant contribution of the women of Whitehorse, especially throughout the pandemic. They consistently serve our families and community quietly and without much recognition as carers, volunteers, business owners and community leaders. I am delighted to be associated with these wonderful women."

Cr Carr also advised that earlier this evening all Councillors had a photograph taken in recognition of IWD, as this is not just about women, gender equity concerns males as well as females and we need to be inclusive, hence the photograph taken earlier this evening. Cr Carr said she was very pleased and thanked all the Councillors for taking part.
