Answers to FOGO community survey carried out from July 2021 – September 2021 relevant to this report

1. *From July 2022, Whitehorse households will be able to add food waste to their green-lidded garden organics bin. Do you currently have a garden organics bin?*

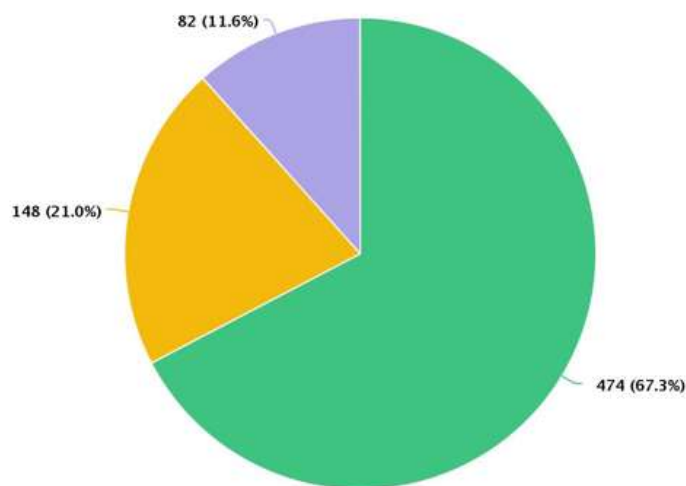

Question options

(Click items to hide)

- ☒ Yes – and I plan to add food scraps from July 2022 when the new service is available
- ☐ Yes – but I don't plan to add food scraps from July 2022 when the new service is available
- ☐ No – I do not want one
- ☐ No – but I will order one before July 2022 so I can divert food scraps from landfill
- ☐ We don't have access to one

2. What are your thoughts about the new Food and Garden Waste Service?

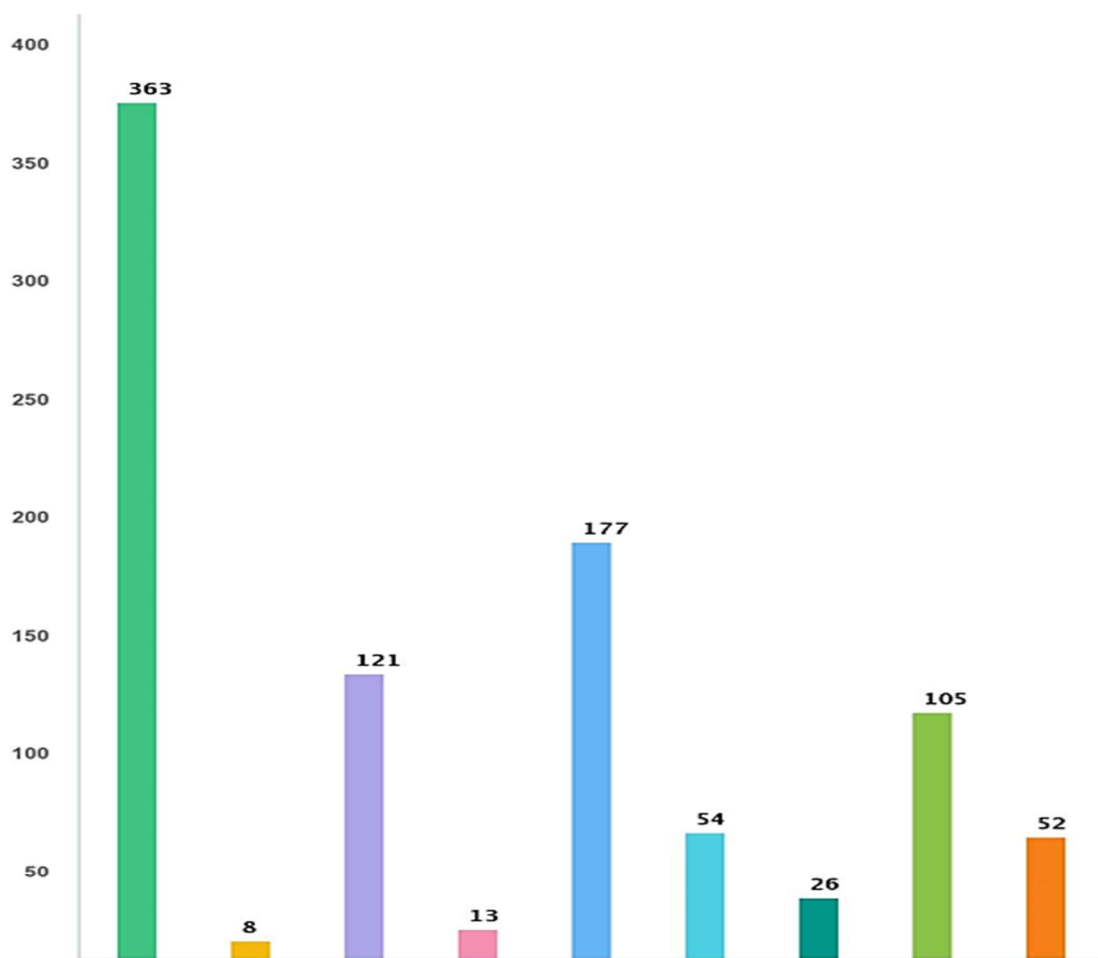

Question options

(Click items to hide)

- ☒ Looking forward to using the service
- ☐ I'll need more information about how it works
- ☐ I don't think I will use this service

3. Is there anything that would prevent you from participating in the Food and Green Waste service in July 2022?

Question options

(Click items to hide)

- Nothing would prevent me
 ● Lack of time
 ● The smell
 ● I am not interested
- I compost at home
 ● I don't produce much food waste
 ● I don't want to sort my waste
- The cost of getting a green bin
 ● Other (please specify)
